RE: Artists-in-Education grants

The Arts Council of Calvert County is now accepting Artists-in-Education Grant applications for FY11. You may request up to \$500 which may cover the entire cost of the project.

Schools may submit multiple requests, and are encouraged to do so.

The FY11 grant cycle covers arts related projects occurring between July 1, 2010 and June 30, 2011.

New this year: schools are not required to provide a match!

The grant application is enclosed and also available at the Arts Council's website www.calvertarts.org. If you have any questions, please call me at 410.286.2898 or via email at lewoods@verizon.net.

Grant applications are due by Friday, April 30, 2010. You must submit an original application and three copies. Grant award decisions will be announced by the end of this school year.

Thank you for supporting the arts in our schools and throughout our community.

Sincerely,

Linda E. Woods
