RE: Artists-in-Education grants

The Arts Council of Calvert County is now accepting Artists-in-Education Grant applications for FY12. You may request up to \$500 which may cover the entire cost of the project.

Schools may submit multiple requests, and are encouraged to do so.

The FY12 grant cycle covers arts related projects occurring between July 1, 2011 and June 30, 2012.

Schools are not required to provide a match!

The grant requirements and application form are enclosed and also available at the Arts Council's website www.calvertarts.org. If you have any questions, please call Pat Carpenter, Arts Council Executive Director, at 410.257.7005 or email her at pcarpenter@calvertarts.org.

Grant applications are due by Friday, April 29, 2011. You must submit an original application and three copies. Grant award decisions will be announced by the end of this school year.

Thank you for supporting the arts in our schools and throughout our community.

Sincerely,

Linda E. Woods
